

LIMITLESS LIVING

Day 3: Attract what you seek

1. The GREAT FLOW

Wouldn't it be great if

BUT

2. The NOW FLOW

Visualise it as if it
has already happened

See it, feel it and hear it

Healing Fear

I welcome this too. I accept this too.

CLAIMING WHAT IS MINE

I claim you too. You are mine. I claim you too.

3. INTUITIVE FLOW

Becoming a channel
for life to happen
through you

An empty channel,
surrendered, open and
trusting

I have insight and
foresight about my life,
the life's of others
and situations

It all feels too “big”

Judgement, Separation,
Comparison strips away

I am in total acceptance
of who I am and what
I am and I am
the same as
SOURCE

Everything & Nothing
exists in Source and
I am Everything
& Nothing

Be USE Less. No need to be USE Full

BE USED

YOUR BOSS IS THE
UNIVERSE

Take the order
Make it happen

LIMITLESS LIVING

Attract what you seek
