

## WHERE TO SEND YOUR CASE STUDIES:

We are pleased to let you know that we now accept Case Studies in all the languages listed below!

If you are planning on emailing your case studies it is *ESSENTIAL* that you also copy your email to [jane.symonds@thejourney.com](mailto:jane.symonds@thejourney.com) to ensure that receipt of case studies is logged and we can track it for you.

If you send by post, you can take them out of the folder (this will mean less postage) and just package them securely. Please email [jane.symonds@thejourney.com](mailto:jane.symonds@thejourney.com) for the postal address.
