

## Questions from Inner Child Matrix Money, Career & Finance Section

1. Connect with your heart and ask what is it that this soul is wanting right now
2. What is it that is for the highest and best which is fully aligned to the body mind, with ease and feels good?
3. What is it that might have been preventing you from that (if someone wants hundred or 200 people coming for their training classes for example get a sense or knowing what's the number at now and what is the belief system I have for the current number.
4. Then imagine the 100 – 200 people and what's the belief system for the 100 -200 people
5. Get a sense or knowing if there is any belief system in the gap in between the current number and the future number
6. Bring into your heart the future whatever it is, see it, hear it and feel it and notice how does it feel when you see it, hear it and feel it. What's the emotions, the vibrations?
7. Bring into your awareness the kind of marketing you have today and notice what belief system is driving your existing marketing (eg. Sometimes there's a belief system on a cap salary on the kind of persons hired to do the marketing, sometimes it's the belief system about what kind of marketing is possible, just like there would have been a time when there would have been a gap between now and where you are today where you changed your whole marketing and sales approach to be able to put a team in place in order to have a much bigger reach the then user and things like that)
8. What's the difference between the marketing you have today in terms of the belief system, and in terms of the belief system what is the marketing that is needed in the future to deliver what it is that you are seeking to be present on a much larger scale internationally especially online now because that's where we are at now.
9. What is the existing belief system in marketing that is holding you back?
10. How many marketing people does Tony Robins have
11. What belief system is needed to enact that kind of a marketing team. And what belief system is needed to shift from "I am going to do it to

- now I am going to delegate it" knowing it may not have the same clarity, consistency, drive, passion, commitment, if you were to do it on your own, if you could hire a 100 versions of yourself?
12. What is the belief system you would need to be able to realise that dream?
  13. Now imagine How does it feel knowing you have to put Rs "X" on the table for staff, marketing social media, hiring how does it feel knowing you have to put Rs X of your own money?
  14. Whatever those fears are, whatever those beliefs are write that down, and the work is not complete till you are comfortable investing Rs X of your own money
  15. Write those fears down, write those beliefs down
  16. What is it that you would like for yourself?
  17. What is your current vision for yourself?
  18. What are the beliefs you have right now about it?
  19. Which is the one that is grabbing your attention the most right now
  20. Knowing that money might be lost how does that make you feel
  21. Is it ok? Is it safe and comfortable, Is what you want for yourself is big enough for you to take the leap of faith? Is what you want for yourself big enough for you to step out of the standstill or not
  22. Someone saying that I must do it sometimes is it someone who is doing it or not?
  23. If someone has taken the leap of faith what is their language?
  24. What is the language they might use?
  25. Is the comfort zone safe for you, if you were to stay in your comfort zone and you never moved out of it, what would happen?
  26. What would it mean to you to move out of your comfort zone?
  27. What's that emotion?
  28. Where in the body do you feel it?
  29. How old were you when you felt this?
  30. How does it feel that you have shared that?
  31. Once you succeed what's waiting for you?
  32. Are you willing to fail again if you were to know that that's the right path?

33. So of all the discussion we have had, if you had to pin point right now which is the most important belief or the energy or vibration you need to work on to shift it, what would it be?

### **Summary Questions When Working with Money & Finances**

1. What do you want?
2. What prevents you from what you want?
