WhatsApp message for Advanced Practitioners in Training to send

Hi

My name is XXXX and I have completed training in a therapy named Emotional Freedom Techniques (EFT) with Master Trainer Dr Rangana Rupavi Choudhuri (PhD) with *Vitality Living College*.

EFT is a technique **clinically proven** to lower stress, physical tension, fears, phobias, cravings, depression, past negativity/trauma to enable health, happiness, and vitality.

As part of my certification, I have to complete 18 case studies and 50 practice sessions.

I can work with adults, children, and teenagers. Sessions with a qualified practitioner are normally Rs 3000/hour. As I am an advanced practitioner in training and will be submitting the case studies as part of my certification, there is ***no charge for the sessions***

By means of background I am attaching a link on a booklet on what is EFT, how it works along with case studies on its effectiveness.

P.S If you want to get professionally trained in this technique, just like I did, please message me right back.
