# Case Study Process Steps

# EFT Advanced Case Study Guidelines

<https://vitalitylivingcollege.info/eft-advanced-practitioner-case-study-guidelines/>

# EFT Advanced Standard

- Knowledge and application of Advanced EFT techniques
- Ability to connect emotional or physical issue to the core issue
- Ability to demonstrate your understanding of the psychology of what is going on
- Know when to use what techniques and what questions
- Understanding of when to introduce creativity, flexibility and sticking to the classical structure
- Ability to help the client in a manner that was safe, loving, compassionate and thorough

# Sample Case Study 1
