Intuitive Decision Making Process Worksheet

There are a couple of steps that you will need to follow in order to make an intuitive decision, like

1. Bring each option into your energy system and awareness, one by one.
2. Contemplate and ask yourself how you feel about these options.
3. Come to a neutral space about them.
4. Then, bring your next option into your energy system.
5. Again, ask yourself how you feel about this option.
6. Compare & contrast both these options and notice which one of them you feel most drawn to.
7. Read the flow again and see if it works for you.
