The Limitless
Flow

The Intuitive
Flow

The Now Flow

The Great
Flow

1. The GREAT FLOW

BUT

2. The NOW FLOW

Visualise it as if it
has already happened

See it, feel it and hear it.

Healing Fear

Doubt, Fear and Confusion.

3. INTUITIVE FLOW

It feels too “BIG”

Judgements, Criticisms,
Separations, Comparisons,
Expectations & Sabotage.

Becoming a channel
for life to happen
through you.

4. LIMITLESS FLOW

Present moment awareness
Intuitively guided action
Free from attachment

Total Connectedness

Forgiveness

A state of being in the
moment, no thought of
past or future.
